

War is a continuation of policy. Policy is subject to change.

Environment

Approaches

Passion	Reason	Fear	Sources	Instruments	Attrition
Chance	Interest	Honour	Objectives	Annihilation	Exhaustion
-Clausewitz		-Thucydides			-Start with Delbruck

War and warfare are indeterminate. People seek causal explanations of the world.

Environment

Elements of post heroic warfare

Approaches

Danger	Uncertainty	Predictive intelligence	Pre-emption	Disruption
--------	-------------	-------------------------	-------------	------------

TARGETING

Friction	Relative superiority	Networked lethality	Dislocation
-Clausewitz	-Start with Luttwak, Keegan, and McRaven		-Leonhard
